

## **Accessibility Statement for McWane**

At McWane, we are committed to ensuring digital accessibility for everyone, including those with disabilities. We are continually improving our website's user experience and applying relevant accessibility standards and guidelines.

### **Efforts To Support Accessibility**

McWane aims to comply with the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA, which are recognized as the international standard for web accessibility.

### **Measures Taken**

To accomplish our accessibility goals, we are implementing the following measures:

- Conducting regular accessibility audits and evaluations.
- Providing training for our staff on accessibility standards.
- Incorporating accessibility into our design and development processes.
- Consulting with website partners to identify and address accessibility issues.

### **Feedback and Contact Information**

While we strive to make our website as accessible as possible, we acknowledge there may still be areas that need improvement. We welcome your feedback. If you encounter any accessibility barriers or have suggestions on how we can improve, please contact:
