

Website Resource Guide

Beyond the main Amerex-fire.com website, Amerex offers you password-protected websites to access customized information. A separate username and password is required for each site.

Company Web Site **AMEREX-FIRE.COM**

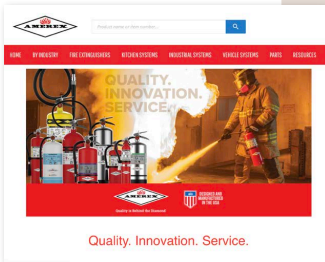

WHAT YOU'LL FIND

The Amerex website contains product information, distributor information, and forms for returns. Here are a few of the most utilized links:

- Return Materials Authorization Form:** Fill out this form to return products that meet warranty requirements.
- Safety Data Sheets:** Important safety information for Amerex products.
- Product Brochures:** Brochures and information for each of our product lines.
- Fire Extinguisher Manuals:** Manuals for Amerex fire extinguisher products. Manuals for Amerex systems are located in the distributor portal.
- Product Information:** Details about Amerex product lines.
- Tech Tips:** Your go-to resource for expert advice on fire safety, equipment maintenance and industry knowledge.

Company Web Store **WEBSTORE. AMEREX-FIRE.COM**

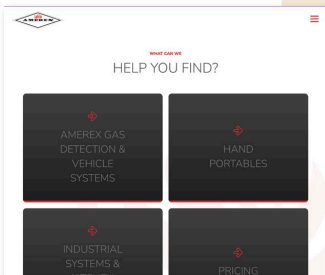

WHAT YOU'LL FIND

A unique password is needed to access your account on the web store. When you are logged into your account, you can **access previous orders, download invoices and track orders.** You can also use it to save customizable item lists. A few key links include:

- Applications by Industry:** Select the right extinguisher for the correct environment with this handy chart that includes product links.
- Fire Extinguishers:** Search and order Hand Portable and Wheeled Fire Extinguishers, Fire Extinguisher Brackets and Recharges.
- Kitchen Systems:** PRM, MRM, Strike, KP Parts, Helix and Recharges can be ordered and searched through this section.
- Industrial Systems:** Order and search IS products including PRM, MRM and Parts.
- Vehicle Systems:** Control Panels, Cylinders, Parts, Gas Detection, and EV Gas Detection Early Warning can all be found here.
- Parts:** Fire Extinguisher and System parts can all be found here.

Distributor Portal **AMEREX-FIRE.BIZ**

WHAT YOU'LL FIND

The Amerex Distributor Portal or "Biz Site" can be accessed with a password. Below is a list of items that can be found on the distributor portal, which is available only to customers.

- Pricing**
- Vehicle Systems Manuals** and other documents
- Kitchen Protection Systems** and other documents
- Fire Extinguisher Manuals** (also located on the Amerex website)
- Software Downloads** for Vehicle and Kitchen Protection Systems
- Marketing Tools**

Training Site **TRAINING. AMEREX-FIRE.COM**

WHAT YOU'LL FIND

Use the password-protected Training Site to sign up for training classes, view current training certificates and access videos and manuals. The newly designed training site (coming in early 2025) will also allow company administrators to view all technicians and their certificates. Once logged into the site, you can:

- View the Training Class Schedule**
- Sign up for Training Classes**
- See Your Training Certificates**
- View Training Videos**
- Take the Systems Tests** (once classes completed)
- Access Manuals**
